Claiming points

4. When completing the application form, an applicant must clearly indicate the number of points he/she is claiming within each points scoring area, and detail how he/she meets the criteria for the award of these points.

5. We will only award points for the sections where the applicant has indicated that he/she wishes to claim them, and where the required supporting evidence has been supplied.

Supporting evidence

It is the applicant's responsibility to provide the evidence to support any statements made in his/her application. The applicant must satisfy us that the requirements for the category under which he/she has applied have been met. We must be satisfied, by considering the evidence provided that the applicant meets the necessary criteria.

Applicants must ensure that all of the necessary supporting documentation is provided at the time the application is submitted. Only those documents specified in the application form and set out in detail in the Tier 1 (Post-Study Work) Policy Guidance will be considered acceptable for the purposes of establishing that an applicant qualifies for the points claimed in any scoring area.

The applicant must be selective in submitting evidence, as sending large amounts of irrelevant or poor quality documentation may delay the consideration of the application.

It is only necessary to submit evidence that is directly appropriate to the application as requested, as unrelated evidence cannot be considered for points scoring.

To assist us in considering the documentation provided, the applicant should highlight any relevant sections on the documentation provided.

For example, in the letter from the United Kingdom institution at which the applicant studied, the applicant should highlight the confirmation of the qualification that he/she has obtained.

Any documentary evidence that the applicant provides should be original (unless otherwise stated).

Where a document is not in English or Welsh, the original must be accompanied by a fully certified translation by a professional translator. This translation must include details of the translator's credentials and confirmation that it is an accurate translation of the original document. It must also be dated and include the original signature of the translator.

Applicants should complete different sections of the Tier 1 (Post-Study Work) application form depending on the type of application they are submitting.

Please note that all applicants should complete Sections 1, 2, 4, 5 and 6 of the form as well as the relevant part of Section 3 depending on the type of application.
